Azle Composite Squadron, Civil Air Patrol Partners with VFW Post 2137

AZLE, Tex. (May 29, 2021) – Azle Composite Squadron TX456, Civil Air Patrol Cadets and Senior Members partnered with the Veterans of Foreign Wars (VFW) Post 2137 to plant flags on veteran graves at Azleland Memorial Park in honor of their service and sacrifice.

Established in 1941, Civil Air Patrol is the official auxiliary of the U.S. Air Force and as such is a member of its Total Force. In its auxiliary role, CAP operates a fleet of 560 single-engine Cessna aircraft and more than 2,000 small Unmanned Aircraft Systems (sUAS) and performs about 90% of all search and rescue operations within the contiguous United States as tasked by the Air Force Rescue Coordination Center. Often using innovative cellphone forensics and radar analysis software, CAP was credited by the AFRCC with saving 130 lives during the past fiscal year. CAP's 54,000 members also perform homeland security, disaster relief and drug interdiction missions at the request of federal, state and local agencies. As a nonprofit organization, CAP plays a leading role in aerospace education using national academic standards-based STEM (science, technology, engineering and math) education. Members also serve as mentors to over 20,000 young people participating in CAP's Cadet Programs.
