Newsletter November 2020

Welcome to our squadron newsletter!

Our squadron newsletter is a way to highlight achievements/accomplishments and events that happened in the previous month. This is also an opportunity for cadets and senior members to add value through content to share with the whole squadron.

We welcome input from ALL of our members as long as it pertains to Civil Air Patrol and our squadron. Any articles or newsworthy items can be submitted to [2d Lt Kilian](#) for consideration. All submissions must be submitted by the 27th of each month.

Our squadron website is progressing and although we anticipated it going live last month, we have had a few setbacks to overcome. C/TSgt Range and 2d Lt Kilian have been collaborating to bring this much needed platform to life. This will be a landing place for all things squadron related. Content ideas and constructive feedback are welcome. You can grab a sneak preview, but be sure to check back regularly as this is in active development and will be changing rapidly as we finalize all the pages to be published live.

Congratulations to all cadets who have recently been promoted! We want to recognize everyone who has earned a promotion last month. Keep up the great work!!
